MEET Your Chesterfield County Republican Delegates!

Update on the 2025 General Assembly

Delegates Carrie Coyner, Mark Earley, Mike Cherry and Lee Ware

**President Trump's Golden Age
for Virginia?**

**We Must keep the Governor's Mansion and take
Back the General Assembly this year!**

THE ONLY THING

**Keeping Virginia from being a Mini California is our
Lieutenant Governor Winsome Earle-Sears's
Ability to be a Tie Breaker &
Governor Youngkin's Veto Powers
(153 Bills vetoed in 2024!)**

**We had 2 Democratic Governor's back to back and when they got a
Majority in the General Assembly and the Senate, They PASSED LAWS! We
have to live with these laws until we get control of the General Assembly &**

**Senate. *Then we can change laws like by
2027 an allotment on the number of gas powered cars sold in VA.
How high will the price of a Gas Powered car go?***

**It's Signature Time! Come prepared to Sign Petitions!
The Candidate who turns in their petition first gets
Top[ranking on the Ballot! So!!!
*Let's Support our Candidates!***

We all Renew our Chesterfield Republican CCRC membership in March!
Be on the lookout for directions to renew online or of course we still take
paper applications and checks so...
