

Monday, Sept. 22th CCRC Chesterfield Meeting

Swift Creek Middle School

3700 Old Hundred Road Midlothian, VA 23112

Social & Registration 6:00 pm

Business meeting 7:00 pm

Come early and enjoy some Great fellowship!

After many tears and prayers, we give heartfelt condolences to Charlie Kirk's family, friends and our nation. Even right here in Chesterfield County, Charlie touched many lives in a positive way. His assassination is not an end but the continuation of his life's purpose.

My niece teaches at an inner city school. She sent me a text Thursday morning that touched my heart. She and her 13-year-old daughter wore black with large crosses on their attire, boldly sharing the light of the Lord into a dark world. They received no pushback. **Let your Light Shine!**

STATEMENT

Chesterfield County Republican Committee

September 15, 2025

The Chesterfield County Republican Committee (CCRC) fully supports Governor Youngkin's demand for the immediate resignation of Chesterfield School Board member Dorothy Heffron. You may be aware by now that Ms. Heffron's resignation, effective December 31, 2025 was accepted by the school board.

It is important for your readers to know that since Ms. Heffron is an elected official, the school board cannot terminate her sooner than December 31. Only the citizens of the district Ms. Heffron represents can remove her earlier through a recall process. In the absence of that, she is free to remain on the school board until her stated separation date.

The CCRC will make no further comment beyond the content of this statement.

Dee Dee Van Buren - Chair

The CCRC has the single-minded pursuit of one goal: **Republican Victory!**

Our focus to get all of our Candidates to Victory will not change.

As unsettling and shocking as Dorothy Heffron's response to Charlie Kirk's assassination has been, we will not be distracted.

In fact, many residents of Chesterfield are removing and shutting down their social media accounts that contained hateful messages.

The haters crossed a line and are falling flat on their face!

I believe in this Country. We are, as Senator Tim Scott noted in his book title,

"One Nation, Always Under God."

This is the time for us to
