Applications being accepted for *interim school board appointment*
Go to the School Board website to apply.
Applications are due by Oct.10th

Statement from the Chesterfield County School Board - Oct. 1, 2025

We are committed to ensuring steady and effective governance for our school division and community. At the Sept. 23, 2025, special meeting of the School Board, we took action on the following items. These decisions reflect our responsibility to maintain stability and continuity in service to students, staff and families, beginning with the acceptance of a board member's resignation.

The board voted to formally accept the written resignation of Clover Hill District representative Dorothy Heffron, effective Dec. 31, 2025. It is important to note that neither the School Division, nor any member of the School Board, has the legal authority to remove an elected School Board member from office. Generally, elected or appointed state and local officials may only be removed from office in accordance with state law ([Title 24.2, Chapter 2, Article 7 of the Code of Virginia](#)).

The board also voted to remove the current Clover Hill District representative from all board-appointed committees and positions. Current board members were immediately appointed to assume those responsibilities so that the work of the board can continue without interruption.

Additionally, it was announced that the board will establish a process to identify an interim representative for the Clover Hill District who will begin serving on Jan. 1, 2026. For individuals interested in serving in this interim capacity, here is the process:

- A 10-day application period will open Oct. 1 and close at 5 p.m. Oct. 10.
- A meeting will be held in conjunction with the board's regular business meeting on Oct. 14 where Chesterfield County residents may address the board regarding the appointment.
- After the application window closes, the School Board will conduct interviews if necessary. The board intends to name the Clover Hill District interim board member at a meeting to be held on a later date.

Our focus remains on serving our nearly 65,000 students by supporting academic success and maintaining a productive and supportive educational environment across Chesterfield County Public Schools.

Statement issued by:

Ann Coker, School Board chair and Bermuda District representative
Lisa Hudgins, School Board vice chair and Midlothian District representative
Dominique Chatters, Dale District representative on the School Board
Steven Paranto, Matoaca District representative on the School Board
